SPRING 1

<p>Completion of Personal Investigation - (January) Students will ensure they have completed all aspects of the Personal investigation including 2 final pieces and a sketchbook/portfolio including all artist analysis, experimentation and observations. They will conclude the written element of the investigation, review all of their work and summarise their main findings.</p>	<p>ESA - Research - (Feb) Students will be given an exam paper, they will choose one theme as a starting point. They will expand their understanding of the theme by exploring definitions, synonyms, and by looking at the Context of the theme e.g. Historical, Cultural and Factual. Students will create a title page, mind map, and image collection in response to the theme.</p>	<p>ESA - Artists Students will analyse and critically respond to the work of a variety of artists who work with the selected theme. They will collect images and inspiration from a wide range of artists. Students will go on to produce detailed analysis, image collection and emulation for the work at least three different artists.</p>	<p>Prior Learning All tasks within the Personal Investigation will draw upon skills and techniques in drawing, researching and recording images developed at KS3, GCSE. and year 12.</p>

SPRING 2

<p>ESA - Observations Students will produce a series of drawings of images relevant to selected theme, in a variety of media. They will take photographs of relevant subject matter and edit the images using editing apps. These observations will be supplemented with internet images, text collections, collections of relevant objects and items and research into similar outcomes.</p>	<p>ESA - experiments Students will experiment with techniques and images in connection with their selected theme. They will explore colour, collages, artist inspiration and use editing apps to try out different ideas for a final piece. Students will complete planning for a personal and/or meaningful final piece, thinking about materials to be used and timings. They will produce a detailed final plan and practice any techniques.</p>	<p>Prior Learning All tasks within the Personal Investigation will draw upon skills and techniques in drawing, researching and recording images developed at KS3, GCSE. and year 12.</p>
